SILLA DUMPERS

The range of Silla Dumpers are well known throughout the world. There are many versions and we are able to offer a configuration that will fulfil most concrete placing duties. These heavy duty robust machines are well suited for off - road and construction site duty.

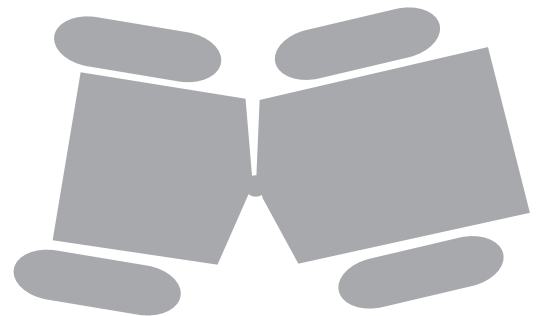

They are offered in Two Wheel and Four Wheel Drive with articulated centre pivot chassis and heavy duty braking. Models are available with the option of forward tipping, high discharge and turntable skips. Wide or narrow mouth skips are also available.
